Sir:

Pursuant to 37 CFR 1.56, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO-1449. As this application was filed after June 30, 2003, no copies of the cited U.S. patents are enclosed. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

In accordance with the provisions of 37 CFR 1.97(d), this Information Disclosure Statement is being filed on or before the payment of the issue fee with the necessary fee as required by 37 CFR 1.17(p).

No item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in § 1.56(c) more than three months prior to the filing of the information disclosure statement. The two references were cited in two Office Actions for two related applications. The Examiner in the present application is also examining these related patent applications. US. Patent No. 6,469,333 was cited in an Office Action, dated April 6, 2005 for Serial No. 10/359,701, and U.S. Patent No. 5,707,888 was cited in an Office Action, dated April 8, 2005 for Serial No. 10/359,592.

This Information Disclosure Statement is being filed within thirty (30) days of receipt of the references from the US Patent Office. As such in accordance with the provisions of 37 CFR 1.704, the filing of this Information Disclosure Statement shall not reduce the patent term for the patent that issues from this application.
